

Quote Collection Log

Use this log to record significant quotes for analysis in your book report.

Chapter / Page Quote Character / Speaker Context / Situation Theme / Analysis Notes

Instructions:

1. Record 5–10 key quotes that capture character personality, themes, or writing style.
2. Include the chapter or page number for easy reference.
3. Note the speaker or character associated with the quote.
4. Briefly describe the context or situation of the quote.
5. Add analysis notes linking the quote to themes, character development, or plot significance.
