

Revision Checklist for Compare and Contrast Essay

Introduction

- Does the introduction clearly present both subjects?
- Is the thesis statement specific and focused?
- Does the hook engage the reader?

Organization

- Are comparisons presented in a logical order?
- Is the chosen structure (block or point-by-point) followed consistently?
- Do paragraphs transition smoothly?

Body Paragraphs

- Does each paragraph contain clear topic sentences?
- Are similarities and differences explained clearly?
- Is analysis included, not just description?

Evidence & Support

- Are examples relevant and balanced between both subjects?
- Is evidence correctly integrated and explained?

Clarity & Style

- Is the writing clear, concise, and easy to follow?
- Are comparison words/transitions used effectively?

Conclusion

- Does the conclusion summarize key insights?
- Is the thesis restated without repeating it word-for-word?
- Does the final thought provide closure?

Mechanics

- Is the essay free of grammar and spelling errors?
- Are formatting and citation requirements followed?
